

Rosey's Romper Room is geared to the individual needs of children. Each room provides a play centered environment with a wide range of materials and developmentally appropriate activities that allow children to manipulate, discover, explore, make choices and create according to their interests. Each child is recognized and valued as a unique individual with a capacity for growth development. Through group and individual activities, each child is encouraged to develop emotionally, socially, creatively, and intellectually at his/her own rate.
