

## 4 Year Old Preschool Newsletter

June is here and we are very busy with report cards, songs and dances for the Preschool Graduation Ceremony. The last day of preschool will be Friday, June 18, 2010.

Hope everyone had a Happy Mother's Day and liked the present the children made. We want to wish the Dad's a Happy Father's Day this month and hope you Dad's like your present as well.

The Preschool Graduation Ceremony will be on Friday, June 18, 2010 at 7:30 p.m. at the Plymouth Cultural Center & Ice Arena on 525 Farmer in Plymouth. Our ceremony will be immediately following the Kindergarten Graduation Ceremony. Please arrive at 7:15p.m. The children are wearing blue graduation caps and may dress up for the ceremony. It is easier to keep the hats on the girls if they wear their hair down without ponytails or braids. The program will include songs and dances, followed by light refreshments. The children will receive their report cards and diplomas in their "Beary Cool Folder" containing a collection of projects they made during the school year. Remember your cameras and video cameras to record the program and pictures after the ceremony as well.

June 21, 2010 will begin our Summer Camp Program. We have included June, July and August calendars with this newsletter. We have many fun themes and activities planned for the summer. We will continue Game Day and projects to go along with our themes. We will be adding Yoga, Eatable Art (snacks) and Water Day. Mondays will be Yoga/Game Day. Tuesdays we will make a snack for our project that goes along with the theme of the week. Wednesdays and Thursdays we will make projects and Fridays is WATER DAY in the Spray-Scape. We will continue to read stories, sing songs, dance/exercise and make projects. We will **NOT** be doing Show and Tell during Summer Camp. We also look forward to outside play time as well as our inside play centers.

Under the Sea Week - Aug. 30 - Sept. 3 we will be taking a look at what you can find in the Oceans and Lakes.

If your child would like to share something that goes along with our theme of the week, please have them share it with us. If you have been on a vacation and have something special to share with the class this is welcome as well. Books, pictures, postcards, games, music, and toys are a few suggestions.

On Water Day the children should wear their swimsuits to school. They will need a towel and a change of clothes (remember underwear, socks and shoes) in a bag that they will put their water gear in. Please make sure that there is a spare set of clothes that are weather appropriate and the correct size in their cubbies as well.

Thank you for sharing your children with us this year. We enjoyed teaching them and watching them grow into future Kindergarteners. We look forward to a great summer with them as well. We also look forward to a great school year with the children who will not be going to Kindergarten in the fall.

Have a fun safe summer and best wishes in the future.

Sincerely,

Miss Diane, Miss Kim, Miss Jackie and Miss Carrie
