

## FEBRUARY 2010 NEWSLETTER

### 4 YEAR OLD PRESCHOOL

February is already here and we have a lot of fun things planned! We are going to start the month out by talking about friendship. We will be doing a lot of projects together as a team to show the importance of working together. We will also be busy decorating our room for Valentines Day.

On Friday, February 12<sup>th</sup>, we will be having our Valentine's Day party. There will be a sign up sheet for special treats posted on the wall. I will be sending home a class list so your child can make cards for the other children in class. Writing out Valentine cards is a great way for your child to practice writing their name.

Next we will be talking about winter. If you have a favorite book about winter, please bring it in on your show and tell day .

We will be finishing the month of February with the letter 'P' and the number '15'.

If you have any questions, please feel free to come and see me.

Thank You,

Ms Nicolle
